

YOUR HEALTH IS OUR PRIORITY

To address the current precautions brought by the threat of **COVID-19**, ICA is rolling out online classes to all math and chess registrants for the spring semester in both our Glen Rock and Teaneck locations!

WHAT ARE WE DOING?

We are going to be using ZOOM

ZOOM is a video conferencing program to make this possible. Below is a [video](#) detailing the process and how classes will be set up, as well as what the students will need on their end to make the process run smoothly.

WHAT ARE STUDENTS GOING TO NEED?

- Internet connection and device (iPad/Computer)
- Speakers/Headphones audio to hear the class
- A working keyboard of some form to use a chatbox.

IS YOUR STUDENT STUDYING MATH WITH US?

We will have online math classes using a separate platform called Newrow. This conferencing program is similar to ZOOM, however it has a more math friendly interface, as well as additional tools (whiteboards, file uploading capabilities, etc.). Newrow operates in the same fashion as ZOOM, in that, before the class, it provides you with a link that takes you directly to your room.

ANSWERS TO SOME QUESTIONS YOU MAY HAVE...

1. We plan to continue online learning until further notice.
2. For those who do not request a refund and do not want to continue online, we will convert Spring Semester tuition into Summer Classes or Summer Camp.
3. If you request a refund for the Spring Semester, we will hold 25% of the paid tuition.
4. **Current classes online are not only for current enrolled students! You can still register for the Spring Semester! Enroll for *CHESS* at: <https://ica.jumbula.com/#/ica-group-classes> and *MATH* at: <https://ica.jumbula.com/#/ica-math-programs>**
5. First two weeks of online classes are trial based.
